

2021 HARVEST – DELIVERY AND RECEIVING INSTRUCTIONS

- OG Nut receiving days are Monday - Friday starting Wednesday September 15, 2020. Please call our receiving office if you will need to bring in product before the start date.
- Saturday and Sunday deliveries require you provide advance notice to our Receiving Manager.
- You will be provided blank (5 part) delivery receipt forms and are responsible for filling them out for each load. Be sure and keep a copy for your records before sending completed form with the driver.

DELIVERY OPTION #1 – OG NUT PROVIDED HAULING

- ✓ OG Nut will provide hauling from the huller as a service to our growers.
- ✓ For bulk shipments Angelo Lagorio (AJL Ag Services) will pick up and deliver to OG Nut. Angelo will make every effort to accommodate your schedule and make the hauling process hassle free.
- ✓ Please call Angelo 24 hours in advance of pick up at (209) 479-3999.
- ✓ All bulk loads hauled by OG Nut should be a minimum of 15 tons. Loads smaller than 15 tons may be subject to a hauling charge.
- ✓ For deliveries in bins please call our field department for hauling arrangements.
- ✓ Please be sure the driver signs the delivery receipt and you retain a copy for your records.

DELIVERY OPTION #2 – GROWER DELIVERIES

- ✓ You may deliver by bottom dump trailer, peanut trailers or bins.
- ✓ OG Nut will provide bins upon request by calling our Field Department.
- ✓ Please be sure to have a completed delivery receipt form for every load delivered and you retain a copy for your records.

DELIVERY GUIDELINES

- ✓ All walnuts should be washed and dehydrated upon arrival to OG Nut.
- ✓ Moisture levels must be less than 8%. Walnuts exceeding 8% moisture will not be received at OG Nut.
- ✓ Varieties must be properly identified and kept separated.
- ✓ Walnuts should be free of foreign material such as sticks, rocks, and other foreign debris.
- ✓ Stick tights should be marked and separated by variety and will be received by variety.
